**Please read these General Conditions of Rental, the Connected Cars Privacy Addendum (the “General Conditions”) and the Location Specific Conditions (“Location Conditions”) before your rental.**

**These pages contain the information you - and if you have them – additional drivers need to know about your rental, including what to bring with you when you pick up the vehicle, your responsibilities to us, our responsibilities to you.**

**It is important to us that you enjoy your experience with us and have all the information you need. So please don't sign without reading. It might take you a little time now but it could save you time later.**

## Key Terms and Conditions

1) **Rental Agreement.** The contract is with us, the provider of the vehicle as set out in the Location Specific Conditions, and you as named on the rental agreement.

**Please read the General Conditions of Rental and the Location Specific Conditions, both of which are part of your rental agreement.**

2) **The Vehicle.** We must provide the vehicle and all mandatory safety equipment ('vehicle') in a roadworthy condition, properly taxed and licenced. Within Europe, we must provide vehicles with mandatory third party liability insurance. The driver is not a third party for these purposes and is not covered by this insurance.

You must return the vehicle and optional extras in the same condition as provided, excepting fair wear and tear. Please check the vehicle thoroughly before you drive-away.

Please ask us to rectify the vehicle condition report if there is any unrecorded damage; if the fuel levels are marked incorrectly; if the vehicle registration, insurance certificates, incident report form or any mandatory safety or security equipment is not present in the vehicle.

3) **Rental Period.** You are responsible for the vehicle and any optional extras for the duration of the rental period:

a) Your rental period starts when you pick up ('check-out') the vehicle and ends when we acknowledge that we have the vehicle and keys ('check-in').

b) You must return the vehicle during office hours to a return agent at the agreed return rental location. If you choose to drop off the vehicle 'out of hours' or if you leave before we check-in the vehicle, you do so at your own risk and remain responsible until check-in.

c) If you use the 'Delivery & Collection' service, you are responsible for the vehicle once we have left it for you until we pick-up the vehicle.

4) **Costs.** You must pay the amounts on the rental agreement for the vehicle and for any optional extras for the rental period. You must pay for any extensions to the rental period, including for optional extras that you agreed to. You must pay for theft and damage costs, specialist-cleaning charges, towing fees, toll charges, parking, traffic or other fines and charges and related administration and processing fees, if due in accordance with these terms and conditions.

5) **Vehicle Use:** You must: (i) exercise all reasonable care and skill when using the vehicle, (ii) use the vehicle according to the laws of the country in which you are driving, (iii) use the vehicle in a lawful manner and for lawful purposes, (iv) use the correct fuel, (v) lock the vehicle when you are not using it and ensure that all windows, roof openings, removable roof panels or hood are properly closed, (vi) stop using the vehicle immediately, if safe to do so, and notify us soon as you become aware of a fault with the vehicle.

You must not: (i) use the vehicle for any commercial purposes; for any motorsport (recreational or professional) or a related activity; off-road; tow another vehicle or trailer; transport flammable, explosive, corrosive or combustible materials, except for mineral essence oils or similar products as permitted by applicable law (or as set out in the Location Specific Conditions) and fuel or gas necessary for the operation of the vehicle; (ii) allow any person other than an authorised driver to use the vehicle.

You may only drive in the countries permitted by us. If you drive a vehicle having an EU member state registration outside the EU or a vehicle with a non-EU member state registration into an EU member state, you must not use the vehicle in the foreign country for longer than is allowed according to the applicable laws. Please see the Location Specific Conditions, ask the rental agent for more details or consult the relevant customs authorities.

6) **Accidents, Theft and Damage.** You must notify (i) the police immediately and (ii) us within 48 hours, if the vehicle has been involved in an accident or damage event, even if no third party was involved.

If the vehicle is lost, stolen or damaged you must, to the extent the law allows, pay the excess stated in this rental agreement, any taxes and our damage- or theft-processing fee (unless you have purchased additional waivers to further reduce your excess). Your excess will not apply in the circumstances set out in section 7 on Waivers.

We will try to recover the excess and other charges from the party at fault if you are able to show that the damage, theft or loss is not attributable to your fault, deliberate breach, fraudulence or gross negligence (to the extent such terms are used under the applicable law). To help us, you must provide us a properly completed incident report form, including the contact details of the other parties involved, within 48 hours of the accident. To the extent the law allows, we will charge a fee to cover our costs in having to contact you to obtain a properly completed incident report form.

You are not liable for any loss or damage charges to the extent attributable to our failure to maintain the vehicle or covered under a manufacturer warranty.

7) **Waivers.** Waivers reduce the amount you have to pay to the stated excess if the vehicle is damaged or stolen. Within Europe, our rates include a basic level of waiver and we will not charge you more than the stated excess plus taxes (if applicable and our damage- or theft-processing fee unless your excess does not apply). You can further reduce the excess by purchasing additional waivers.

Your excess will not apply if the loss or damage is attributable to (i) your deliberate or fraudulent act, omission or gross negligence (to the extent that such terms are used under the applicable law) or (ii) a deliberate breach of sections 5 (Vehicle Use) and 6 (Accidents, Thefts and Damage).

If your excess does not apply, we will be entitled to claim losses or damages against you in an amount equal to the severity of the negligence up to the full amount of the damage or loss we have incurred or will incur (whichever is the greater), to the extent allowed under applicable law.

8) **Fines and Charges.** You must pay for any parking charges or traffic fines incurred during the rental period related to your use of the vehicle. You must pay our processing fee to cover our time in dealing with these fines or charges, unless you are able to show that no loss or damage has occurred or if incurred, is significantly lower than the processing fee.

9) **Fuel.** You must bring the vehicle back with the same amount of fuel as was in the vehicle at time of pick-up unless you have purchased optional Fuel up Front. If you do not return the vehicle with the same level of fuel, you must pay for the fuel you have used at our 'Pay on Return' fuel rate.

If you drive less than the distance shown in the Fuel Charges section (EZ Fuel Charge) of your Location Specific Conditions and do not provide a fuel receipt, you must pay our EZFuel charge, unless you are able to show that no loss or damage has occurred or if incurred, is significantly lower than our EZ Fuel charge. If you have purchased optional Fuel Up Front, you do not need to fill the tank before you return the vehicle. We do not refund for unused fuel if you purchase optional Fuel Up Front, unless you return the vehicle with a full tank of fuel, in which case we will refund the Fuel Up Front charge.

10) **Additional Drivers and Passengers.** You are responsible for ensuring that any additional drivers you have added to the rental agreement or any passengers that you allow in the vehicle observe these terms and conditions. You are responsible for any costs or charges we incur because an additional driver or passenger does not comply with these terms and conditions.

Your excess may not apply if the loss or damage is because of the additional driver's or passenger's deliberate or fraudulent act, omission or gross negligence (to the extent that such terms are used under the applicable law) or (ii) a deliberate breach of sections 5 and 6.

11) **Changes to your Rental.** You must pay for any increase in prices if you change the rental period or if you exceed the agreed mileage. You must pay a one-way fee if you return to a different location than the pick-up.

12) **Early Returns.** If you return the vehicle and any optional extras early, you will lose the benefit of any special offers if you no longer meet their requirements. This may result in the rental costing you more. There is no refund for any unused days.

13) **Late Returns.** Unless agreed differently, you must return the vehicle and any optional extras at the time/date and location stated on this rental agreement. If you think you will be late, it is in your interest to request an extension from us. If you are late, on the third day after your return date, we will pre-authorise payment for an additional 5 days' rental charge on your debit card or, 10 days if you are using a credit card, at "pay at location" prices. If you return the vehicle within those 5 or 10 days (whichever applies), you will only be charged for your actual rental days, plus any other charges you owe us.

14) **Pre-Authorisation.** We pre-authorise an amount on your payment card. This holds an amount on your payment card so you should ensure there are sufficient funds available, as we will only process payment at the end of the rental. If you pay with another card, be aware it can take up to 14 days for your bank to release the 'held' money back to you.

15) **Payments.** If you have chosen to pay in a currency other than this country's currency, we use an exchange rate based on the Citibank wholesale rate plus 4% and we perform the currency conversion.

When you sign the rental agreement, you are agreeing for us to charge all the costs you incurred during the rental period to your payment card.

16) **Tracking.** Vehicles may be fitted with geo-location systems and tracking devices to locate our vehicles in case a vehicle is stolen or not returned to the rental location, or to locate a vehicle in case of accident or breakdown.

17) **Use of your personal information.** We use your personal information to: (a) provide the rental services to you and (b) decide whether to provide future rental services to you. **We will provide your personal information, to the extent the law allows and if necessary with your express consent, to:**

- a) **members of the Avis Rent A Car System**, located within and outside of Europe, but only to the extent necessary **to provide the rental services**, and to **Wizard Co. Inc., the owner of the reservation system**, located in the United States of America, but only to the extent **necessary to process your booking through the reservation system**,
- b) **enforcement / local authorities and parking companies** if they have the right to that information and the law allows us to or to verify the validity of your driving licence.
- c) **to third parties** who act on our behalf in **claims administration**, in **collecting monies** that you owe us and in **conducting customer surveys** which we use for improving our services to you.

You have a legal right to access the personal information we hold about you (subject to payment of a fee, if allowed by law), and, if justified, you may to ask for any personal information to be corrected, modified, blocked or removed. The data controller is the vehicle rental provider, as named on this rental agreement.

18) **Lost Property.** We will do our best to contact you if we find any personal belongings in the vehicle. Any items containing personal or financial information will be disposed of within 28 days in accordance with our privacy policies and the General Conditions of Rental. All other items will be disposed of within 3 months.

19) **Applicable law.** The applicable law governing the contract between you and us will be the law applicable in the country where you picked up the vehicle and where the rental agreement was entered into.

## 2) Requirements you must meet to rent the vehicle

<p><b>Booking reference</b></p> <p>You must bring your reservation number or booking confirmation email with you.</p>	<p><b>We need this because...</b></p> <p>It will help us find your details and help get you on your way as quickly as possible.</p>	
<p><b>Driving licences</b></p>	<p><b>Bringing your driving licence with you</b></p> <p>Drivers must bring all parts of their valid driving licence with them.</p>	<p><b>What happens if you forget?</b></p> <p>Any driver who cannot show their full valid licence will be unable to drive the vehicle.</p>

<p>All drivers must bring a full driving licence valid for use in the country of rental for the entire rental period.</p> <p>If any driver can't meet these requirements, they won't be able to drive the vehicle.</p> <p><i>Find out more: Location Conditions - Driving licence and ID requirements or ask a member of our team.</i></p>	<p><b>When do you need an international driving licence or an official translation of your driving licence?</b></p> <p>Drivers must bring both their driving licence and either an international driving licence or an official translation of it from a notary in the language of the country of rental if:</p> <ul style="list-style-type: none"> <li>• their driving licence was issued in Europe and you are renting in a country outside Europe</li> <li>• their driving licence was issued in a non-European country, and you are renting outside that country</li> <li>• their driving licence was issued in a non-roman alphabet like Arabic, Greek, Russian, Hebrew or Japanese</li> </ul>	<p><b>If a driver doesn't have one?</b></p> <p>Any driver, who needs an international driving licence but does not have one, won't be able to drive the vehicle.</p>
	<p><b>How long must drivers have held their licence for?</b></p> <p>All drivers must have held their licence for the minimum period we require. Please check the <i>Location Conditions, Driving licence and ID requirements</i>.</p> <p>If the driving licence does not show the driver has held it for the minimum period then they must provide evidence, such as previous driving licences or a letter from their driving licence authority stating that they have held it for at least the minimum period</p>	<p><b>If a driver has previous or unspent convictions</b></p> <p>Convictions on a driving licence will not automatically stop a driver from driving the vehicle.</p> <p>If any driver has any convictions you <b>must</b> check the <i>Location Conditions, Driving licence and ID requirements</i> or ask a member of our team as they may not be able to drive.</p>
<p><b>Payment cards</b></p> <p>You must bring the payment card used to make your booking.</p>	<p><b>Why do you need to bring your original payment card?</b></p> <p>When you book, we use your payment card as a form of identity check to ensure we give the vehicle to the person who made the booking.</p> <p>If you don't have the payment card used to make the booking with you, we will still rent to you if we have another vehicle available and you meet all our other requirements, but you will have to pay the 'pay at location' prices available on the day as this will be treated as a new rental.</p> <p>You do not have to use the original card to make any additional payments or pre-authorisations but the card must be in your name.</p>	<p><b>When do you need to bring two cards?</b></p> <p>For certain high value vehicles, we need you to bring two payment cards in the name of the person who made the booking.</p> <p>This should have been made clear when you booked, but if you want to double check, please speak to a member of our team.</p>
<p><b>Pre-Authorisations and Security Deposits</b></p> <p>Before we let you rent a vehicle, you need to allow us to take a pre-authorisation or a security deposit.</p> <p>You will need to give us an approved payment card that's in your name and has enough funds available on it to allow us to do so.</p> <p><i>Find out more: Section 18) Payment, Location Conditions - Fuel charges, Location Conditions - Payments options, or ask a member of our team</i></p>	<p><b>What is a Pre-Authorisation?</b></p> <p>A pre-authorisation holds an amount of money in your account. Once a pre-authorisation has happened, you won't be able to use that money for anything else until you've paid for the rental and the pre-authorisation has been released by your card company.</p> <p>While a pre-authorisation is in effect, it may even look like the amount has been deducted from your account, this isn't the case, the money is simply 'on hold' until a final payment has been made.</p>	<p><b>What is a Security Deposit?</b></p> <p>Pre-authorisations 'hold' money in your account. A security deposit, on the other hand, transfers money out of your account.</p>
	<p><b>How much will the pre-authorisation be?</b></p> <p>The value depends on the country in which you are renting. For a full explanation, please refer to the Location-Specific Terms and Conditions for the country in which you are renting.</p>	<p><b>How much will the security deposit be?</b></p> <p>Most rental locations take a pre-authorisation rather than a security deposit. Where a security deposit is taken, the amount of the security deposit will be the same as for a pre-authorisation. The value of the pre-authorisation depends on the country in which you are renting. For a full explanation, please refer to the Location-Specific Terms and Conditions for the country in which you are renting.</p>
	<p><b>When you bring the vehicle back</b></p> <p>The final payment amount will be calculated and processed using the payment card provided.</p> <p>If you choose to pay by a different method, please be aware that the pre-authorisation on the original card could last up to 30 days.</p>	<p><b>When you bring the vehicle back</b></p> <p>The final payment amount will be calculated and the security deposit used.</p> <p>If the final payment is greater than the security deposit, we will ask you to pay the difference.</p> <p>If the final payment is less than the security deposit – or you choose to pay using a</p>

Typically, card companies take from 7-14 days to add a refund back to your account. We are not responsible for how long it takes for your card company to apply a refund.
<b>Other things to bring</b> You need to bring photo ID. You might also need proof of address.  In this section when we say 'you' we mean the person named on the rental agreement, any additional drivers, anyone who makes payment towards the rental	<b>Photo ID</b> Your photo ID will need to be recognisable as you. We can accept your passport or photo driving licence, a national identity card or any other form of government-issued identification.	
	<b>What can you use as proof of address?</b> You may need to show proof of where you live. This could include a recent utility bill or bank statement. If your driving licence shows your address, in some countries, this may be accepted. Renters should refer to the Location Specific Conditions for the country in which they are renting.	
<b>Driver age restrictions</b> There are age restrictions – but they vary by vehicle and by country.  <i>Find out more: Location Conditions - Age information or ask a member of our team</i>	<b>What does this mean?</b> <ul style="list-style-type: none"> <li>• If a driver is under our minimum age to drive a certain vehicle, we will try to find you a vehicle with a lower age restriction.</li> <li>• If a driver is under the minimum age restriction for all vehicles – or over the maximum age restriction for all vehicles, they won't be able to drive.</li> <li>• If a driver is below a certain age or below a certain age, you will need to pay a driver surcharge.</li> <li>• If a driver is over a certain age, they may need to provide additional documents to show they are fit and able to drive.</li> </ul>	
<b>Other circumstances</b> If you or anyone in your party behaves in an unacceptable way, we may refuse to rent a vehicle to you.	<b>Unacceptable behaviour</b> We may refuse to rent to you if we believe that any driver is under the influence of drink or drugs or you, or a anyone in your party, is – in our opinion – abusive or threatening to our teams.	
<b>If you don't meet all requirements</b> We can refuse to rent a vehicle to you – or allow particular drivers to drive.	<b>Examples of failing to meet requirements</b> You will fail to meet our requirements if you forgot to bring the payment card you used to make any pre-paid booking or a driver doesn't meet all the requirements. We may still rent you a vehicle if you don't meet these requirements – but it could be at 'pay at location' prices. Otherwise, we will cancel your booking, and you will need to contact the Customer Service team for a refund.	

### 3) Security Checks

<b>Security Checks</b> We operate identity, security, driving licence and credit checks. In this section when we refer to 'you' we mean: <ul style="list-style-type: none"> <li>• The person named on the rental agreement</li> <li>• Any additional drivers</li> <li>• Any person who makes payment towards the rental</li> </ul>	<b>What does this mean?</b> By signing the rental agreement or driving the vehicle, you agree to such checks being carried out against you.  <i>Find out more: Section 20) Use of Personal Information</i>
	<b>Failing the checks before or at the time you 'pick-up' the vehicle</b> <ul style="list-style-type: none"> <li>• If you fail to meet any of our checks, we may refuse to allow a driver to drive the vehicle or allow you to rent the vehicle.</li> <li>• If we find that any amount is owed to us or any other Avis group company, we may refuse to allow a driver to drive the vehicle or allow you to rent the vehicle.</li> </ul>
	<b>What happens if you fail the checks during or after the rental:</b> If we find out that any information you've given us is false or inaccurate, then you'll have broken your contract with us. You will then have to pay for any costs or damages we incur.

### 4) The Price

<b>Vehicle rental price</b> The vehicle rental price is calculated based on: <ul style="list-style-type: none"> <li>• Your start and end dates and times</li> <li>• Rental location(s)</li> <li>• The amount of time you rent for</li> <li>• The type of vehicle stated on your rental agreement</li> </ul> Unless stated otherwise, the price also includes all costs you must pay – for example, vehicle tax, local taxes, and any location surcharge.	<b>Optional extra prices</b> The price of optional extras – such as baby seats, additional driver(s), excess reduction products, delivery charges and GPS devices – are calculated based on, your start and end dates and times, the rental location(s) and the amount of time you rent for.  Unless stated otherwise, the price also includes all costs you must pay – for example, local taxes, and any location surcharge.
<b>Location surcharge</b> If you rent from some locations – mostly airports, train stations and city centre locations – you <b>pay a location surcharge</b> as it costs us more to operate there.	<b>When do you pay the location surcharge?</b> Don't worry, It will be <b>included in the price</b> quoted to you but it may be shown as a separate item on your rental agreement or receipt.

## 6) Collecting the vehicle

<p><b>Vehicle availability</b></p> <p>We usually have a vehicle in the group you requested.</p>	<p><b>If there is a problem with vehicle availability...</b></p> <p>It would be unusual for us not to have a vehicle in the group you asked for. If it does happen, we will try to find you a vehicle from a higher group at no extra cost.</p> <p>If we can only find you a vehicle in a lower group, and you agree to rent this vehicle, you will only be charged for that vehicle. If you've already paid, you will be entitled to a refund of the difference.</p> <p>To get you on your way we may provide you with more than one vehicle or suggest you use alternative transport until we can get a vehicle in the group requested to you as soon as one becomes available.</p> <p>This hardly ever happens, but if no vehicles are available, you will of course be entitled to a full refund of any amount you have already paid.</p> <p>You'll need to contact the Customer Service team with your booking reference number for a refund.</p> <p><b>What if that means there are extra costs?</b></p> <p>In the unlikely event we are unable to provide you with a vehicle at 'pick-up', and you need to find alternative means of transport until we can get a vehicle to you, we will reimburse you for your reasonable additional costs.</p> <p>If we are unable to provide you with a vehicle, and you have to rent from another company, we will pay the difference between the cost of renting from us and the cost of renting a similar vehicle from the other provider.</p> <p>If you incur any other additional costs as a direct result of our failure to provide you with a vehicle, we will only be responsible for these if we both knew you would have to pay them when you made your booking (these are known as <b>foreseeable losses</b>).</p> <p>We will not be responsible for your foreseeable losses where you have been able to recover them from someone else. We will not pay for losses which are not directly related to our failure to provide you with a vehicle or losses which were not foreseeable by you and us (such as loss of profits or loss of opportunity).</p> <p>You must do what you can to reduce (or mitigate) the additional costs you have to pay.</p> <p>If we are unable to provide you with a vehicle because of an unforeseeable or unavoidable event – such as a terrorist act or natural disaster – we will not be able to help you with any losses you incur; however we will refund any payment you have made in connection with the rental.</p>	
<p><b>Availability of optional extras</b></p> <p>We usually have the optional extras you pre-booked.</p>	<p><b>What happens if there is a problem with availability?</b></p> <p>It would be unusual for the rental location not to have an optional extra you pre-booked. If it does happen, they will try to get one from another rental location. If this is not possible, they may:</p> <ul style="list-style-type: none"> <li>• Buy a new one for you.</li> <li>• Ask you to buy one from elsewhere and reimburse you the price paid. You must do what you can to buy one at a reasonable price.</li> <li>• Refund you the cost of the pre-booked optional extra. You'll need to contact the Customer Service team for this.</li> </ul>	<p><b>Can you keep the extras you have had to buy?</b></p> <p>No. If you agreed to buy the optional extra from elsewhere, you will have to give it to us when you return the vehicle.</p> <p>If you give us the original purchase receipt, we'll refund the price you paid for it.</p> <p>This doesn't include optional extras that are available for you to buy from us – like USB chargers. If you have bought something from us, then of course it is yours to keep.</p>

## 7) Vehicle condition and inspection on 'pick-up'

<p><b>Vehicle condition</b></p> <p>The vehicle has been maintained in accordance with the manufacturer's recommended standards and will be roadworthy at 'pick-up'.</p>	<p><b>What if the vehicle is damaged?</b></p> <p>Any existing damage, other than minor damage, will be stated on the contract.</p>	<p><b>What is minor damage?</b></p> <p>You do not have to report minor damage to one of our vehicles, and we do not charge you for it either. By minor damage, we mean:</p> <ul style="list-style-type: none"> <li>• Scratches: less than 25mm long or any length if they have not broken the surface of the paint</li> </ul>

<p><b>Inspecting the vehicle</b></p> <p>When you pick the vehicle up you should inspect it. If there is any damage, other than minor damage, you must make sure it is recorded on the contract.</p>	<p><b>What you need to do...</b></p> <p>It is in your interests to take a few moments to check the vehicle when you pick it up. If you find damage that is not already stated on the contract (other than minor damage), you need to tell us about it before you drive away, by contacting the rental location.</p>	<p><b>If the vehicle is delivered...</b></p> <p>It is your responsibility to inspect the vehicle. <p><b>Damage to the vehicle</b></p> <p>This is what happens if the vehicle, keys, any accessories or any vehicle documents are damaged or the keys, any accessories or any vehicle documents are lost or stolen while you're renting it</p> <p><i>Find out more: Section 17) Optional Extras - Waivers and Protections, Location Conditions - Waiver and protection options or ask a member of our team</i></p>	<p><b>How we calculate the repair costs</b></p> <p>We use a damage matrix to work out the estimated cost of repair. The damage matrix uses an average repair cost for the vehicle group selected, which takes account of different makes and models in that group. We work this out using:</p> <ul style="list-style-type: none"> <li>• industry standard labour rates and job duration, according to an industry standard estimating tool;</li> <li>• the price of any original equipment manufacturer parts,</li> <li>• loss of use (being the amount the vehicle reduces in value and interest costs, rather than potential lost rental value). We will only charge loss of use if the vehicle needs to be sent away to be repaired.</li> </ul>
	<p><b>Without additional cover</b></p> <p>You are responsible for paying:</p> <ul style="list-style-type: none"> <li>• either the cost of replacement or the estimated repair costs, whichever is lower</li> <li>• our loss of use and</li> <li>• our processing fee</li> </ul> <p>You will not be charged if our standard cleaning procedure resolves the damage.</p>

<p><b>What if you can prove the damage, loss or theft was not in any way your fault or due to your negligence; or if you can prove the damage was less than we said?</b></p> <p>To the extent the law allows, you will need to pay even if you know who stole or damaged the vehicle.</p>	<p><b>We will...</b></p> <p>If we are allowed by law to do so, require you to pay for the damage or loss and the rental costs, even if the vehicle is not found or repaired at the time we take payment.</p> <p>Even though we don't have to do this, we will try – with your help – to recover costs from third parties.
